NCEES issues list of calculators permitted in examination room

The National Council of Examiners for Engineering and Surveying (NCEES) has approved a list of calculators for the April and October 2006 exam administrations. The following models are the only calculators that will be permitted in the examination room for the 2006 exam administrations:

Hewlett Packard—HP 9s, HP 30s, and HP 33s

Casio—FX 115 ES, FX 115 MS, FX 115 MS Plus (Note: FX 115 ES and MS models with an SR designation are also allowed.)

Texas Instruments—TI 30XA (or TI 30Xa), TI 30X IIS and TI 30X IIB

Texas Instruments—TI 36X Solar

Each year, NCEES will review and revise the approved calculator list and then announce the updated list by November 15.

Please distribute the above list accordingly. For more information, please see the Calculator Policy at www.ncees.org or call NCEES headquarters at 864-654-6824.

The National Council of Examiners for Engineering and Surveying develops licensing examinations for the engineering and surveying professions. These examinations are used by engineering and surveying licensing boards across the United States as part of their candidate assessment process. NCEES also provides examination scoring and administration services to licensing boards, as well as a variety of other products and services to engineering and surveying professionals. NCEES headquarters is located in Clemson, S.C.
